Additional specialist procedures

Available at extra cost and not included in Optomeyes plans

Punctal occlusion (temporary) <i>15 min appointment</i>	£60.00 per eye
<i>Can only be performed after full eye examination and dry eye consultation. Temporary occlusion lasts up to three months.</i>	
Punctal occlusion (permanent) <i>30 min appointment</i>	£200.00 both eyes
<i>As above. Half an hour appointment. Occlusion is permanent, unless plug is flushed out.</i>	
Lacrimal irrigation <i>15 min appointment</i>	£30.00 per eye
<i>Only offered to patients following a full eye examination. Only as required.</i>	
Intuitive overlay assessment <i>(dyslexia etc)</i> <i>30 min appointment</i>	£25.00
<i>Includes Wilkins rate of reading/intuitive overlays. Full binocular stability checks with fusional reserves, if required. Conducted at the time of the eye examination and is an extra half an hour. So the full appointment time will be one hour including the eye examination. If required five A4 overlay sheets cost £30.00.</i>	
Orthokeratology / Dreamlens <i>(lenses by night, clear vision by day)</i>	£150.00 <i>(contact lens assess. no charge)</i>
<i>If treatment lenses are ordered, and even if treatment does not achieve desired effect, this amount is still payable.</i>	
<i>(Although the amount can be put towards spectacles or other standard contact lenses) Monthly payment thereafter £40.00</i>	
<i>including new lenses every 6 months and solutions and continuous aftercare</i>
